

With her gang of colorful and exquisite Chihuahuas and pugs Uta Koloczek reclaims the territory of porcelain figurines. Her eccentric animal figures make a humorous and luxurious everyday accessory, intriguing avid porcelain collectors and younger folks alike.

»FRECKLES«

»OSKAR«

»LUDWIG«

»CRYSTAL«

Uta Koloczek has expanded her collection with new designs that will attract additional fans and followers. Two of her new pug designs bear the vintage German names Oskar and Ludwig, although their names are dated they wear contemporary graphic decor in discreet black-and-white. A colorful and modern addition is made with the third pug named Crystal. This eccentric collection of chihuahuas has been enriched by Freckles — a blue-dotted pooch with a classy platinum collar.
